## DESCRIPTION

- Flat pleating on the head onto a 2.5 cm ruffle tape.
- Curtain hanging : chrome steel 32 mm rings, placed every 15 cm and sewn on 15 mm individual ribbon.
- Fullness : from 1.2 to 1.3.

Note: When selecting the fabric, be careful of the pattern and width direction.

## TRACKS AND END CAPS SELECTION

- . TR20 (30mm diameter rings) or TR25 (45mm diameter), nickel colour.

## MAKING-UP OPTIONS

- Possibility of lining the curtain.
- Possibility of adding a contrasted decorative band on the head pleating, on the bottom or on the sides of the curtain (1 or 2 sides).
